

All homework must be written neatly and clearly, showing all work and using proper notation. At the top write your full name, discussion leader's name, and day of discussion. Organize your work and number each problem as assigned. Staple the pages together and remove any "scruff" from spiral notebook paper. Failure to follow directions will result in a loss of points. This should be work you are proud of.

Homework is due in discussion each Tuesday at 12pm. No late homework will be accepted.
